

TC Yasa Loloma Package Annex

The **Loloma Package** is an opportunity to **assist Fijians** affected by **TC Yasa** that struck Fiji in December 2020.

Please take time to read through this note for information on how to **donate responsibly**.

Indicative list of **priority items** for Post TC Yasa:

- Shelter tool kits (rope, hammers, and nails)
- Tarpaulins
- Mosquito nets
- Kitchen sets (cutlery and crockery)
- Wash kits (toilet paper, bath soap and toothbrush)
- Water tanks (1000 litre)

Points to consider when sending other relief items

- Please send non-food items and **not** food items. Food items expire and those banned in Fiji will be destroyed.
- If you are sending clothes and footwear, please ensure that they are quality pre-loved or new. And that they are appropriate for Fiji's climate. Rubber gloves and boots are useful.
- Other items you may send include blankets, sleeping bags or mats, flashlights, napkins, bins and containers.
- Stationery (pens, pencils, rulers, erasers, colour pencils and exercise books) for school children.
- Please do not send used furniture, as it is a potential carrier for invasive insects and pests.

Thank you for your assistance.
